How does this program compare to some of the national franchises available?

You are buying into a license of Maximum Nutrition Centers, Inc. with an exclusive line not found anywhere on the internet! This means great margins on your return! No competing with internet pricing, setting up your store the way you feel it should be run, and no meddling with daily operations from the corporation! All this while still getting the benefits of distributor discounts, marketing, and assistance normally reserved for franchise supplement outlets! Having the comfort of a small family with the buying power of a large corporation, as well as an exclusive line put YOU in control!
